EVERYDAY
IS AN
ADVENTURE
WHEN YOU ARE A
CIVIL ENGINEER

DEPARTMENT OF CIVIL ENGINEERING

PRESENTS

A Semi – Annual NewsLetter

FOR

ACADEMIC YEAR 2022-2023

CONTENTS

From the HOD'S Desk

Vision and Mission of the Department

Program Educational Outcomes

Teachers Day and Engineer's Day

VISITS:-

A] Vishnupuri Dam Visit

B] Water Treatment Plant Visit, Kabra Nagar

C] Sewage Treatment Plant Visit, Sangvi

D] Visit to Dhanora Under Unnat Bharat Abhiyan

E] Industrial visit

F] Solid waste Management visit to Various Places

G] Somani Glass Visit

Students Corner

Technical Quiz Competition

Expert Lecture on Building Bye Laws

Annual Gathering

Editorial Board

From The Desk of HOD

Dear Friends,

It's Immense pleasure to present this Semi –Annual Newsletter “Infa Civil” Civil Engineering department is the dynamic and Vibrant Department with the blend of Young and Experienced Faculty.

Department is actively Involved in academic as well as Research work in current areas of civil engineering and multi- disciplinary streams. The department has well equipped labs.

The faculties are actively involved in academic as well as involved in consultancy activities. The department is fortunate to have dedicated faculties, devoted students and committed supporting staff and expert technical staff.

Specially, I congratulate my students to participate in various extra – curricular activities, My Best Wishes to all for their bright carrier and Successful life.
