M/s. GEFRAN INDIA PVT LTD.

JQRQ+793, Udyog Nagar, Chinchwad, Pimpri-Chinchwad, Pune, Maharashtra 411006

Date : 22/04/2020

MEMORANDUM OF UNDERSTANDING

This MEMORANDUM of UNDERSTADING is made on this 22 day of April 2020 between M/s GEFRAN INDIA PVT LTD. JQRQ+793, Udyog Nagar, Chinchwad, Pimpri-Chinchwad, Pune, acting through Mr. Kalpesh Desai, Managing Director , M/s. GEFRAN INDIA PRIVATE LIMITED, JQRQ+793, Udyog Nagar, Chinchwad, Pimpri-Chinchwad, Pune, India (here in after called THE FIRST PARTY) and The Principal, Government Polytechnic, Nanded, (MSBTE Affiliaton code: 0020), (Here in after called THE SECOND PARTY)

WHEREAS, it has been concern of the THE FIRST PARTY that skills imparted by the Expert Lecture/ training / site visit / consultancy must keep pace with the technological demands of the industry & expanding universe of knowledge to produce world class workforce.

AND WHEREAS in pursuance of the mentioned objective it proposed to impart training to students of ELECTRCAL ENGINEEING for producing multi skilled workforce of world standard by:-

Introducing new multi skilling modular courses improving practical knowledge adopting new trading technology with close involvement of industry and other stakeholders and, Empowering trainings/ workshops by providing sufficient autonomy building up partnership with the nearby industries.

THE PARTIES OF AGREE AS FOLLOWS:

1. Analogue team will have the following roles and responsibilities
 - a. Forecasting of new emerging training areas;
 - b. Development of curriculum.
 - c. Selection of trainees.
 - d. Training of faculty.
 - e. Facilitating on the industrial training to students.
 - f. Testing and certification and
 - g. Facilitating placement of passing out trainees
2. THE SECOND PARTY will adequately empower Analogue team to enable them to discharge their above mentioned roles and responsibilities effectively which will include clearing the

proposals for and providing basic infrastructure such as classroom, labs, equipment for facilitating workshops, trainings, seminar, etc. to THE FIRST PARTY.

3. The structure of the courses to be offered will be as follows:
 - a. Broad based basic training in number of skill areas related to the sector as per the curricula MSBTE/ DTE.
 - b. Short term modular courses would be offered offer the broad based training. for the next 6 months as per the curricula approved by the MSBTE/DTE.
 - c. Advanced & industrial approach based training in the last quarter.
 - d. Specialized modular courses as par need of the local industry would be organized for the last phase of training for which the testing and certification will be done jointly by THE SECOND PARTY and Industry.
 - e. The courses will have provisions of multi entry, multi–exit as well as lateral and vertical mobility of trainees and
 - f. Training on the factory shop floor should constitute at list 25-40% of the curriculum and the modalities for this purpose shall be worked out in consultations with the industry associations.
4. THE SECOND PARTY will share the described expenditure for Trainings, WORKSHOPS, as approved from time to time
5. The utilization of infrastructure will be as par the details given below:
 - a. The existing infrastructure will be utilized for the purposes of trainings to the extent possible by reorientation of the training courses relevant to the selected sector.
 - b. The equipment required for basic skill areas are expected to be available in the college
6. THE SECOND PARTY will be mainly responsible for implementation and monitoring of the training / consultancy.

Their responsibilities will include:

- (a) Consultations with industry/ industry associations
- (b) Development of course curricula for the specialized module
- (c) Ensure implementation of various activities of the trainings in time bound manner so as to adhere to the time schedule
- (d) Monitoring progress of implementation of the scheme
- (e) Setting up of suitable mechanism to obtain feedback from the trainees about quality of training and using the feedback for improvement in the training delivery
- (f) Setting up of placement cells in the college to guide/ help the students in employment/ self- employment and developing suitable sustainable mechanism to trace the students.

- (g) Furnishing periodical reports with respect to the placement
7. In order to ensure sustainability of the scheme THE SECOND PARTY shall
- (a) Ensure the availability of sufficient funds for consumables and if necessary; enhance the tuition fees to generate additional revenue for this purpose
- (b) Allow industry to sponsor candidates for training in these centers on payment basis to generate higher revenue.
8. THE MEMORANDUM OF UNDERSTANDING, both parties affirm their commitment to carry out the activities and achieve the objectives mutually agreed upon.
9. Any dispute between the parties shall always be resolved by mutual consultation without any resort to arbitration or other form of legal remedy including resort to court of law
10. This memorandum of understanding will be effective up to three years beyond i.e. up to **March 2023**. Implementation of MOU would be monitored on six monthly basis.

BENEFITS OF MOU :

- 1) Students will remain update with latest & emerging technology and will have theoretical as well as practical knowledge the issue.
- 2) Students from the college will be considered at par with students based in tier 1&2 cities
- 3) College will get the reputation of delivering latest trends & technology to students
- 4) Students will get certification from a body which will be accepted globally
- 5) Students will not have to waste time & money after their diploma acquiring latest trends & technology pertaining to industry.
- 6) students will get the Course bundled at very low cost, almost ten times lesser than current market
- 7) Our network will help them to get placed with organization based on the skills acquired & their comfort level.

FIELD OF COOPERATION :

- 1) Both the institutions shall evolve mutual acceptable schedule to develop programs, hold seminars and exchange visits
- 2) The said academic interaction and intellectual assimilation may include faculty / staff development
- 3) Seminars, research, conferences and workshops
